Track Competitors' Apps with SimilarWeb PRO

Outbrain has been using SimilarWeb for over a year and it's been instrumental for our ability to analyze our competitive environment, benchmark our performance, keep track of industry trends, and generate new leads.

Asaf Hochman, Senior Director of Product Marketing Outbrain

- ✓ Build strong app store optimization campaigns by knowing where traffic is coming from
- ✓ Track engagement and retention to better understand your target audience and growth potential in specific markets
- ✓ Find out which apps are commonly used by the same users for better app advertising decisions
- ✓ Discover the keywords that drive the most traffic in specific categories and countries
